

[PUBLIC—No. 66—73D CONGRESS]

[H.R. 5661]

AN ACT

To provide for the safer and more effective use of the assets of banks, to regulate interbank control, to prevent the undue diversion of funds into speculative operations, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the short title of this Act shall be the "Banking Act of 1933."

SEC. 2. As used in this Act and in any provision of law amended by this Act—

(a) The terms "banks", "national bank", "national banking association", "member bank", "board", "district", and "reserve bank" shall have the meanings assigned to them in section 1 of the Federal Reserve Act, as amended.

(b) Except where otherwise specifically provided, the term "affiliate" shall include any corporation, business trust, association, or other similar organization—

(1) Of which a member bank, directly or indirectly, owns or controls either a majority of the voting shares or more than 50 per centum of the number of shares voted for the election of its directors, trustees, or other persons exercising similar functions at the preceding election, or controls in any manner the election of a majority of its directors, trustees, or other persons exercising similar functions; or

(2) Of which control is held, directly or indirectly, through stock ownership or in any other manner, by the shareholders of a member bank who own or control either a majority of the shares of such bank or more than 50 per centum of the number of shares voted for the election of directors of such bank at the preceding election, or by trustees for the benefit of the shareholders of any such bank; or

(3) Of which a majority of its directors, trustees, or other persons exercising similar functions are directors of any one member bank.

(c) The term "holding company affiliate" shall include any corporation, business trust, association, or other similar organization—

(1) Which owns or controls, directly or indirectly, either a majority of the shares of capital stock of a member bank or more than 50 per centum of the number of shares voted for the election of directors of any one bank at the preceding election, or controls in any manner the election of a majority of the directors of any one bank; or

(2) For the benefit of whose shareholders or members all or substantially all the capital stock of a member bank is held by trustees.

SEC. 3. (a) The fourth paragraph after paragraph "Eighth" of section 4 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 301), is amended to read as follows:

"Said board of directors shall administer the affairs of said bank fairly and impartially and without discrimination in favor of or against any member bank or banks and may, subject to the provisions of law and the orders of the Federal Reserve Board, extend to each member bank such discounts, advancements, and accommodations as may be safely and reasonably made with due regard for the claims and demands of other member banks, the maintenance of sound credit conditions, and the accommodation of commerce, industry, and agriculture. The Federal Reserve Board may prescribe regulations further defining within the limitations of this Act the conditions under which discounts, advancements, and the accommodations may be extended to member banks. Each Federal reserve bank shall keep itself informed of the general character and amount of the loans and investments of its member banks with a view to ascertaining whether undue use is being made of bank credit for the speculative carrying of or trading in securities, real estate, or commodities, or for any other purpose inconsistent with the maintenance of sound credit conditions; and, in determining whether to grant or refuse advances, rediscounts or other credit accommodations, the Federal reserve bank shall give consideration to such information. The chairman of the Federal reserve bank shall report to the Federal Reserve Board any such undue use of bank credit by any member bank, together with his recommendation. Whenever, in the judgment of the Federal Reserve Board, any member bank is making such undue use of bank credit, the Board may, in its discretion, after reasonable notice and an opportunity for a hearing, suspend such bank from the use of the credit facilities of the Federal Reserve System and may terminate such suspension or may renew it from time to time."

(b) The paragraph of section 4 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 304), which commences with the words "The Federal Reserve Board shall classify" is amended by inserting before the period at the end thereof a colon and the following: "*Provided*, That whenever any two or more member banks within the same Federal reserve district are affiliated with the same holding company affiliate, participation by such member banks in any such nomination or election shall be confined to one of such banks, which may be designated for the purpose by such holding company affiliate."

SEC. 4. The first paragraph of section 7 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 289), is amended, effective July 1, 1932, to read as follows:

"After all necessary expenses of a Federal reserve bank shall have been paid or provided for, the stockholders shall be entitled to receive an annual dividend of 6 per centum on the paid-in capital stock, which dividend shall be cumulative. After the aforesaid dividend claims have been fully met, the net earnings shall be paid into the surplus fund of the Federal reserve bank."

SEC. 5. (a) The first paragraph of section 9 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 321; Supp. VI, title 12, sec. 321), is amended by inserting immediately after the words "United

States" a comma and the following: "including Morris Plan banks and other incorporated banking institutions engaged in similar business."

(b) The second paragraph of section 9 of the Federal Reserve Act, as amended, is amended by adding at the end thereof the following: "*Provided, however,* That nothing herein contained shall prevent any State member bank from establishing and operating branches in the United States or any dependency or insular possession thereof or in any foreign country, on the same terms and conditions and subject to the same limitations and restrictions as are applicable to the establishment of branches by national banks."

(c) Section 9 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 321-331; Supp. VI, title 12, secs. 321-332), is further amended by adding at the end thereof the following new paragraphs:

"Any mutual savings bank having no capital stock (including any other banking institution the capital of which consists of weekly or other time deposits which are segregated from all other deposits and are regarded as capital stock for the purposes of taxation and the declaration of dividends), but having surplus and undivided profits not less than the amount of capital required for the organization of a national bank in the same place, may apply for and be admitted to membership in the Federal Reserve System in the same manner and subject to the same provisions of law as State banks and trust companies, except that any such savings bank shall subscribe for capital stock of the Federal reserve bank in an amount equal to six-tenths of 1 per centum of its total deposit liabilities as shown by the most recent report of examination of such savings bank preceding its admission to membership. Thereafter such subscription shall be adjusted semiannually on the same percentage basis in accordance with rules and regulations prescribed by the Federal Reserve Board. If any such mutual savings bank applying for membership is not permitted by the laws under which it was organized to purchase stock in a Federal reserve bank, it shall, upon admission to the system, deposit with the Federal reserve bank an amount equal to the amount which it would have been required to pay in on account of a subscription to capital stock. Thereafter such deposit shall be adjusted semiannually in the same manner as subscriptions for stock. Such deposits shall be subject to the same conditions with respect to repayment as amounts paid upon subscriptions to capital stock by other member banks and the Federal reserve bank shall pay interest thereon at the same rate as dividends are actually paid on outstanding shares of stock of such Federal reserve bank. If the laws under which any such savings bank was organized be amended so as to authorize mutual savings banks to subscribe for Federal reserve bank stock, such savings bank shall thereupon subscribe for the appropriate amount of stock in the Federal reserve bank, and the deposit hereinbefore provided for in lieu of payment upon capital stock shall be applied upon such subscription. If the laws under which any such savings bank was organized be not amended at the next session of the legislature following the admission of such savings bank to membership so as to authorize mutual savings banks to purchase Federal reserve bank stock, or if such laws be so amended and such bank fail within six months thereafter to purchase such stock, all

of its rights and privileges as a member bank shall be forfeited and its membership in the Federal Reserve System shall be terminated in the manner prescribed elsewhere in this section with respect to State member banks and trust companies. Each such mutual savings bank shall comply with all the provisions of law applicable to State member banks and trust companies, with the regulations of the Federal Reserve Board and with the conditions of membership prescribed for such savings bank at the time of admission to membership, except as otherwise hereinbefore provided with respect to capital stock.

"Each bank admitted to membership under this section shall obtain from each of its affiliates other than member banks and furnish to the Federal reserve bank of its district and to the Federal Reserve Board not less than three reports during each year. Such reports shall be in such form as the Federal Reserve Board may prescribe, shall be verified by the oath or affirmation of the president or such other officer as may be designated by the board of directors of such affiliate to verify such reports, and shall disclose the information hereinafter provided for as of dates identical with those fixed by the Federal Reserve Board for reports of the condition of the affiliated member bank. Each such report of an affiliate shall be transmitted as herein provided at the same time as the corresponding report of the affiliated member bank, except that the Federal Reserve Board may, in its discretion, extend such time for good cause shown. Each such report shall contain such information as in the judgment of the Federal Reserve Board shall be necessary to disclose fully the relations between such affiliate and such bank and to enable the Board to inform itself as to the effect of such relations upon the affairs of such bank. The reports of such affiliates shall be published by the bank under the same conditions as govern its own condition reports.

"Any such affiliated member bank may be required to obtain from any such affiliate such additional reports as in the opinion of its Federal reserve bank or the Federal Reserve Board may be necessary in order to obtain a full and complete knowledge of the condition of the affiliated member bank. Such additional reports shall be transmitted to the Federal reserve bank and the Federal Reserve Board and shall be in such form as the Federal Reserve Board may prescribe.

"Any such affiliated member bank which fails to obtain from any of its affiliates and furnish any report provided for by the two preceding paragraphs of this section shall be subject to a penalty of \$100 for each day during which such failure continues, which, by direction of the Federal Reserve Board, may be collected, by suit or otherwise, by the Federal reserve bank of the district in which such member bank is located. For the purposes of this paragraph and the two preceding paragraphs of this section, the term 'affiliate' shall include holding company affiliates as well as other affiliates.

"State member banks shall be subject to the same limitations and conditions with respect to the purchasing, selling, underwriting, and holding of investment securities and stock as are applicable in the case of national banks under paragraph 'Seventh' of section 5136 of the Revised Statutes, as amended.

"After one year from the date of the enactment of the Banking Act of 1933, no certificate representing the stock of any State member

bank shall represent the stock of any other corporation, except a member bank or a corporation existing on the date this paragraph takes effect engaged solely in holding the bank premises of such State member bank, nor shall the ownership, sale, or transfer of any certificate representing the stock of any such bank be conditioned in any manner whatsoever upon the ownership, sale, or transfer of a certificate representing the stock of any other corporation, except a member bank.

“Each State member bank affiliated with a holding company affiliate shall obtain from such holding company affiliate, within such time as the Federal Reserve Board shall prescribe, an agreement that such holding company affiliate shall be subject to the same conditions and limitations as are applicable under section 5144 of the Revised Statutes, as amended, in the case of holding company affiliates of national banks. A copy of each such agreement shall be filed with the Federal Reserve Board. Upon the failure of a State member bank affiliated with a holding company affiliate to obtain such an agreement within the time so prescribed, the Federal Reserve Board shall require such bank to surrender its stock in the Federal reserve bank and to forfeit all rights and privileges of membership in the Federal Reserve System as provided in this section. Whenever the Federal Reserve Board shall have revoked the voting permit of any such holding company affiliate, the Federal Reserve Board may, in its discretion, require any or all State member banks affiliated with such holding company affiliate to surrender their stock in the Federal reserve bank and to forfeit all rights and privileges of membership in the Federal Reserve System as provided in this section.

“In connection with examinations of State member banks, examiners selected or approved by the Federal Reserve Board shall make such examinations of the affairs of all affiliates of such banks as shall be necessary to disclose fully the relations between such banks and their affiliates and the effect of such relations upon the affairs of such banks. The expense of examination of affiliates of any State member bank may, in the discretion of the Federal Reserve Board, be assessed against such bank and, when so assessed, shall be paid by such bank. In the event of the refusal to give any information requested in the course of the examination of any such affiliate, or in the event of the refusal to permit such examination, or in the event of the refusal to pay any expense so assessed, the Federal Reserve Board may, in its discretion, require any or all State member banks affiliated with such affiliate to surrender their stock in the Federal reserve bank and to forfeit all rights and privileges of membership in the Federal Reserve System, as provided in this section.”

Sec. 6. (a) The second paragraph of section 10 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 242), is amended to read as follows:

“The Secretary of the Treasury and the Comptroller of the Currency shall be ineligible during the time they are in office and for two years thereafter to hold any office, position, or employment in any member bank. The appointive members of the Federal Reserve Board shall be ineligible during the time they are in office and for two years thereafter to hold any office, position, or employment in

any member bank, except that this restriction shall not apply to a member who has served the full term for which he was appointed. Upon the expiration of the term of any appointive member of the Federal Reserve Board in office when this paragraph as amended takes effect, the President shall fix the term of the successor to such member at not to exceed twelve years, as designated by the President at the time of nomination, but in such manner as to provide for the expiration of the term of not more than one appointive member in any two-year period, and thereafter each appointive member shall hold office for a term of twelve years from the expiration of the term of his predecessor. Of the six persons thus appointed, one shall be designated by the President as governor and one as vice governor of the Federal Reserve Board. The governor of the Federal Reserve Board, subject to its supervision, shall be its active executive officer. Each member of the Federal Reserve Board shall within fifteen days after notice of appointment make and subscribe to the oath of office."

(b) The fourth paragraph of section 10 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 244), is amended to read as follows:

"The principal offices of the Board shall be in the District of Columbia. At meetings of the Board the Secretary of the Treasury shall preside as chairman, and, in his absence, the governor shall preside. In the absence of both the Secretary of the Treasury and the governor the vice governor shall preside. In the absence of the Secretary of the Treasury, the governor, and the vice governor the Board shall elect a member to act as chairman pro tempore. The Board shall determine and prescribe the manner in which its obligations shall be incurred and its disbursements and expenses allowed and paid, and may leave on deposit in the Federal Reserve banks the proceeds of assessments levied upon them to defray its estimated expenses and the salaries of its members and employees, whose employment, compensation, leave, and expenses shall be governed solely by the provisions of this Act, specific amendments thereof, and rules and regulations of the Board not inconsistent therewith; and funds derived from such assessments shall not be construed to be Government funds or appropriated moneys. No member of the Federal Reserve Board shall be an officer or director of any bank, banking institution, trust company, or Federal Reserve bank or hold stock in any bank, banking institution, or trust company; and before entering upon his duties as a member of the Federal Reserve Board he shall certify under oath that he has complied with this requirement, and such certification shall be filed with the secretary of the Board. Whenever a vacancy shall occur, other than by expiration of term, among the six members of the Federal Reserve Board appointed by the President as above provided, a successor shall be appointed by the President, by and with the advice and consent of the Senate, to fill such vacancy, and when appointed he shall hold office for the unexpired term of his predecessor."

SEC. 7. Paragraph (m) of section 11 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 248), is amended to read as follows:

"(m) Upon the affirmative vote of not less than six of its members the Federal Reserve Board shall have power to fix from time to time for each Federal reserve district the percentage of indi-

vidual bank capital and surplus which may be represented by loans secured by stock or bond collateral made by member banks within such district, but no such loan shall be made by any such bank to any person in an amount in excess of 10 per centum of the unimpaired capital and surplus of such bank. Any percentage so fixed by the Federal Reserve Board shall be subject to change from time to time upon ten days' notice, and it shall be the duty of the Board to establish such percentages with a view to preventing the undue use of bank loans for the speculative carrying of securities. The Federal Reserve Board shall have power to direct any member bank to refrain from further increase of its loans secured by stock or bond collateral for any period up to one year under penalty of suspension of all rediscount privileges at Federal reserve banks."

SEC. 8. The Federal Reserve Act, as amended, is amended by inserting between sections 12 and 13 (U.S.C., title 12, secs. 261, 262, and 342), thereof the following new sections:

"SEC. 12A. (a) There is hereby created a Federal Open Market Committee (hereinafter referred to as the 'committee'), which shall consist of as many members as there are Federal reserve districts. Each Federal reserve bank by its board of directors shall annually select one member of said committee. The meetings of said committee shall be held at Washington, District of Columbia, at least four times each year, upon the call of the governor of the Federal Reserve Board or at the request of any three members of the committee, and, in the discretion of the Board, may be attended by the members of the Board.

"(b) No Federal reserve bank shall engage in open-market operations under section 14 of this Act except in accordance with regulations adopted by the Federal Reserve Board. The Board shall consider, adopt, and transmit to the committee and to the several Federal reserve banks regulations relating to the open-market transactions of such banks and the relations of the Federal Reserve System with foreign central or other foreign banks.

"(c) The time, character, and volume of all purchases and sales of paper described in section 14 of this Act as eligible for open-market operations shall be governed with a view to accommodating commerce and business and with regard to their bearing upon the general credit situation of the country.

"(d) If any Federal reserve bank shall decide not to participate in open-market operations recommended and approved as provided in paragraph (b) hereof, it shall file with the chairman of the committee within thirty days a notice of its decision, and transmit a copy thereof to the Federal Reserve Board.

"SEC. 12B. (a) There is hereby created a Federal Deposit Insurance Corporation (hereinafter referred to as the 'Corporation'), whose duty it shall be to purchase, hold, and liquidate, as hereinafter provided, the assets of national banks which have been closed by action of the Comptroller of the Currency, or by vote of their directors, and the assets of State member banks which have been closed by action of the appropriate State authorities, or by vote of their directors; and to insure, as hereinafter provided, the deposits of all banks which are entitled to the benefits of insurance under this section.

“(b) The management of the Corporation shall be vested in a board of directors consisting of three members, one of whom shall be the Comptroller of the Currency, and two of whom shall be citizens of the United States to be appointed by the President, by and with the advice and consent of the Senate. One of the appointive members shall be the chairman of the board of directors of the Corporation and not more than two of the members of such board of directors shall be members of the same political party. Each such appointive member shall hold office for a term of six years and shall receive compensation at the rate of \$10,000 per annum, payable monthly out of the funds of the Corporation, but the Comptroller of the Currency shall not receive additional compensation for his services as such member.

“(c) There is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$150,000,000, which shall be available for payment by the Secretary of the Treasury for capital stock of the Corporation in an equal amount, which shall be subscribed for by him on behalf of the United States. Payments upon such subscription shall be subject to call in whole or in part by the board of directors of the Corporation. Such stock shall be in addition to the amount of capital stock required to be subscribed for by Federal reserve banks and member and nonmember banks as hereinafter provided, and the United States shall be entitled to the payment of dividends on such stock to the same extent as member and nonmember banks are entitled to such payment on the class A stock of the Corporation held by them. Receipts for payments by the United States for or on account of such stock shall be issued by the Corporation to the Secretary of the Treasury and shall be evidence of the stock ownership of the United States.

“(d) The capital stock of the Corporation shall be divided into shares of \$100 each. Certificates of stock of the Corporation shall be of two classes—class A and class B. Class A stock shall be held by member and nonmember banks as hereinafter provided and they shall be entitled to payment of dividends out of net earnings at the rate of 6 per centum per annum on the capital stock paid in by them, which dividends shall be cumulative, or to the extent of 30 per centum of such net earnings in any one year, whichever amount shall be the greater, but such stock shall have no vote at meetings of stockholders. Class B stock shall be held by Federal reserve banks only and shall not be entitled to the payment of dividends. Every Federal reserve bank shall subscribe to shares of class B stock in the Corporation to an amount equal to one half of the surplus of such bank on January 1, 1933, and its subscriptions shall be accompanied by a certified check payable to the Corporation in an amount equal to one half of such subscription. The remainder of such subscription shall be subject to call from time to time by the board of directors upon ninety days' notice.

“(e) Every bank which is or which becomes a member of the Federal Reserve System on or before July 1, 1934, shall take all steps necessary to enable it to become a class A stockholder of the Corporation on or before July 1, 1934; and thereafter no State bank or trust company or mutual savings bank shall be admitted to membership in the Federal Reserve System until it becomes a class A

stockholder of the Corporation, no national bank in the continental United States shall be granted a certificate by the Comptroller of the Currency authorizing it to commence the business of banking until it becomes a member of the Federal Reserve System and a class A stockholder of the Corporation, and no national bank in the continental United States for which a receiver or conservator has been appointed shall be permitted to resume the transaction of its banking business until it becomes a class A stockholder of the Corporation. Every member bank shall apply to the Corporation for class A stock of the Corporation in an amount equal to one half of 1 per centum of its total deposit liabilities as computed in accordance with regulations prescribed by the Federal Reserve Board; except that in the case of a member bank organized after the date this section takes effect, the amount of such class A stock applied for by such member bank during the first twelve months after its organization shall equal 5 per centum of its paid-up capital and surplus, and beginning after the expiration of such twelve months' period the amount of such class A stock of such member bank shall be adjusted annually in the same manner as in the case of other member banks. Upon receipt of such application the Corporation shall request the Federal Reserve Board, in the case of a State member bank, or the Comptroller of the Currency, in the case of a national bank, to certify upon the basis of a thorough examination of such bank whether or not the assets of the applying bank are adequate to enable it to meet all of its liabilities to depositors and other creditors as shown by the books of the bank; and the Federal Reserve Board or the Comptroller of the Currency shall make such certification as soon as practicable. If such certification be in the affirmative, the Corporation shall grant such application and the applying bank shall pay one half of its subscription in full and shall thereupon become a class A stockholder of the Corporation: *Provided*, That no member bank shall be required to make such payment or become a class A stockholder of the Corporation before July 1, 1934. The remainder of such subscription shall be subject to call from time to time by the board of directors of the Corporation. If such certification be in the negative, the Corporation shall deny such application. If any national bank shall not have become a class A stockholder of the Corporation on or before July 1, 1934, the Comptroller of the Currency shall appoint a receiver or conservator therefor in accordance with the provisions of existing law. Except as provided in subsection (g) of this section, if any State member bank shall not have become a class A stockholder of the Corporation on or before July 1, 1934, the Federal Reserve Board shall terminate its membership in the Federal Reserve System in accordance with the provisions of section 9 of this Act.

“(f) Any State bank or trust company or mutual savings bank which applies for membership in the Federal Reserve System or for conversion into a national banking association on or after July 1, 1936, may, with the consent of the Corporation, obtain the benefits of this section, pending action on such application, by subscribing and paying for the same amount of stock of the Corporation as it would be required to subscribe and pay for upon becoming a member

bank. Thereupon the provisions of this section applicable to member banks shall be applicable to such State bank or trust company or mutual savings bank to the same extent as if it were already a member bank: *Provided*, That if the application of such State bank or trust company or mutual savings bank for membership in the Federal Reserve System or for conversion into a national banking association be approved and it shall not complete its membership in the Federal Reserve System or its conversion into a national banking association within a reasonable time, or if such application shall be disapproved, then the amount paid by such State bank or trust company or mutual savings bank on account of its subscription to the capital stock of the Corporation shall be repaid to it and it shall no longer be subject to the provisions or entitled to the privileges of this section.

“(g) If any State bank or trust company, or mutual savings bank (referred to in this subsection as ‘State bank’) which is or which becomes a member of the Federal Reserve System is not permitted by the laws under which it was organized to purchase stock in the Corporation, it shall apply to the Corporation for admission to the benefits of this section and, if such application be granted after appropriate certification in accordance with this section, it shall deposit with the Corporation an amount equal to the amount which it would have been required to pay in on account of a subscription to capital stock of the Corporation. Thereafter such deposit shall be adjusted in the same manner as subscriptions for stock by class A stockholders. Such deposit shall be subject to the same conditions with respect to repayment as amounts paid on subscriptions to class A stock by other member banks and the Corporation shall pay interest thereon at the same rate as dividends are actually paid on outstanding shares of class A stock. As long as such deposit is maintained with the Corporation, such State bank shall, for the purposes of this section, be deemed to be a class A stockholder of the Corporation. If the laws under which such State bank was organized be amended so as to authorize State banks to subscribe for class A stock of the Corporation, such State bank shall within six months thereafter subscribe for an appropriate amount of such class A stock and the deposit hereinafter provided for in lieu of payment upon class A stock shall be applied upon such subscription. If the law under which such State bank was organized be not amended at the next session of the State legislature following the admission of such State bank to the benefits of this section so as to authorize State banks to purchase such class A stock, or, if the law be so amended and such State bank shall fail within six months thereafter to purchase such class A stock, the deposit previously made with the Corporation shall be returned to such State bank and it shall no longer be entitled to the benefits of this section, unless it shall have been closed in the meantime on account of inability to meet the demands of its depositors.

“(h) The amount of the outstanding class A stock of the Corporation held by member banks shall be annually adjusted as hereinafter provided as of the last preceding call date as member banks increase their time and demand deposits or as additional banks become members or subscribe to the stock of the Corporation, and

such stock may be decreased in amount as member banks reduce their time and demand deposits or cease to be members. Shares of the capital stock of the Corporation owned by member banks shall not be transferred or hypothecated. When a member bank increases its time and demand deposits it shall, at the beginning of each calendar year, subscribe for an additional amount of capital stock of the Corporation equal to one half of 1 per centum of such increase in deposits. One half of the amount of such additional stock shall be paid for at the time of the subscription therefor, and the balance shall be subject to call by the board of directors of the Corporation. A bank organized on or before the date this section takes effect and admitted to membership in the Federal Reserve System at any time after the organization of the Corporation shall be required to subscribe for an amount of class A capital stock equal to one half of 1 per centum of the time and demand deposits of the applicant bank as of the date of such admission, paying therefor its par value plus one half of 1 per centum a month from the period of the last dividend on the class A stock of the Corporation. When a member bank reduces its time and demand deposits it shall surrender, not later than the 1st day of January thereafter, a proportionate amount of its holdings in the capital stock of the Corporation, and when a member bank voluntarily liquidates it shall surrender all its holdings of the capital stock of the Corporation and be released from its stock subscription not previously called. The shares so surrendered shall be canceled and the member bank shall receive in payment therefor, under regulations to be prescribed by the Corporation, a sum equal to its cash-paid subscriptions on the shares surrendered and its proportionate share of dividends not to exceed one half of 1 per centum a month, from the period of the last dividend on such stock, less any liability of such member bank to the Corporation.

“(i) If any member or nonmember bank shall be declared insolvent, or shall cease to be a member bank (or in the case of a nonmember bank, shall cease to be entitled to the benefits of insurance under this section), the stock held by it in the Corporation shall be canceled, without impairment of the liability of such bank, and all cash-paid subscriptions on such stock, with its proportionate share of dividends not to exceed one half of 1 per centum per month from the period of last dividend on such stock shall be first applied to all debts of the insolvent bank or the receiver thereof to the Corporation, and the balance, if any, shall be paid to the receiver of the insolvent bank.

“(j) Upon the date of enactment of the Banking Act of 1933, the Corporation shall become a body corporate and as such shall have power—

“First. To adopt and use a corporate seal.

“Second. To have succession until dissolved by an Act of Congress.

“Third. To make contracts.

“Fourth. To sue and be sued, complain and defend, in any court of law or equity, State or Federal.

“Fifth. To appoint by its board of directors such officers and employees as are not otherwise provided for in this section, to define their duties, fix their compensation, require bonds of them and fix

the penalty thereof, and to dismiss at pleasure such officers or employees. Nothing in this or any other Act shall be construed to prevent the appointment and compensation as an officer or employee of the Corporation of any officer or employee of the United States in any board, commission, independent establishment, or executive department thereof.

"Sixth. To prescribe by its board of directors, bylaws not inconsistent with law, regulating the manner in which its general business may be conducted, and the privileges granted to it by law may be exercised and enjoyed.

"Seventh. To exercise by its board of directors, or duly authorized officers or agents, all powers specifically granted by the provisions of this section and such incidental powers as shall be necessary to carry out the powers so granted.

"(k) The board of directors shall administer the affairs of the Corporation fairly and impartially and without discrimination. The board of directors of the Corporation shall determine and prescribe the manner in which its obligations shall be incurred and its expenses allowed and paid. The Corporation shall be entitled to the free use of the United States mails in the same manner as the executive departments of the Government. The Corporation with the consent of any Federal reserve bank or of any board, commission, independent establishment, or executive department of the Government, including any field service thereof, may avail itself of the use of information, services, and facilities thereof in carrying out the provisions of this section.

"(1) Effective on and after July 1, 1934 (thus affording ample time for examination and preparation), unless the President shall by proclamation fix an earlier date, the Corporation shall insure as hereinafter provided the deposits of all member banks, and on and after such date and until July 1, 1936, of all nonmember banks, which are class A stockholders of the Corporation. Notwithstanding any other provision of law, whenever any national bank which is a class A stockholder of the Corporation shall have been closed by action of its board of directors or by the Comptroller of the Currency, as the case may be, on account of inability to meet the demands of its depositors, the Comptroller of the Currency shall appoint the Corporation receiver for such bank. As soon as possible thereafter the Corporation shall organize a new national bank to assume the insured deposit liabilities of such closed bank, to receive new deposits and otherwise to perform temporarily the functions provided for it in this paragraph. For the purposes of this subsection, the term 'insured deposit liability' shall mean with respect to the owner of any claim arising out of a deposit liability of such closed bank the following percentages of the net amount due to such owner by such closed bank on account of deposit liabilities: 100 per centum of such net amount not exceeding \$10,000; and 75 per centum of the amount, if any, by which such net amount exceeds \$10,000 but does not exceed \$50,000; and 50 per centum of the amount, if any, by which such net amount exceeds \$50,000: *Provided*, That, in determining the amount due to such owner for the purpose of fixing such percentage, there shall be added together all net amounts due to such owner in the same capacity or the same right, on account of deposits, regardless of whether such deposits

be maintained in his name or in the names of others for his benefit. For the purposes of this subsection, the term 'insured deposit liabilities' shall mean the aggregate amount of all such insured deposit liabilities of such closed bank. The Corporation shall determine as expeditiously as possible the net amounts due to depositors of the closed bank and shall make available to the new bank an amount equal to the insured deposit liabilities of such closed bank, whereupon such new bank shall assume the insured deposit liability of such closed bank to each of its depositors, and the Corporation shall be subrogated to all rights against the closed bank of the owners of such deposits and shall be entitled to receive the same dividends from the proceeds of the assets of such closed bank as would have been payable to each such depositor until such dividends shall equal the insured deposit liability to such depositor assumed by the new bank, whereupon all further dividends shall be payable to such depositor. Of the amount thus made available by the Corporation to the new bank, such portion shall be paid to it in cash as may be necessary to enable it to meet immediate cash demands and the remainder shall be credited to it on the books of the Corporation subject to withdrawal on demand and shall bear interest at the rate of 3 per centum per annum until withdrawn. The new bank may, with the approval of the Corporation, accept new deposits, which, together with all amounts made available to the new bank by the Corporation, shall be kept on hand in cash, invested in direct obligations of the United States, or deposited with the Corporation or with a Federal reserve bank. Such new bank shall maintain on deposit with the Federal reserve bank of its district the reserves required by law of member banks but shall not be required to subscribe for stock of the Federal reserve bank until its own capital stock has been subscribed and paid for in the manner hereinafter provided. The articles of association and organization certificate of such new bank may be executed by such representatives of the Corporation as it may designate; the new bank shall not be required to have any directors at the time of its organization, but shall be managed by an executive officer to be designated by the Corporation; and no capital stock need be paid in by the Corporation; but in other respects such bank shall be organized in accordance with the existing provisions of law relating to the organization of national banks; and, until the requisite amount of capital stock for such bank has been subscribed and paid for in the manner hereinafter provided, such bank shall transact no business except that authorized by this subsection and such business as may be incidental to its organization. When in the judgment of the Corporation it is desirable to do so, the Corporation shall offer capital stock of the new bank for sale on such terms and conditions as the Corporation shall deem advisable, in an amount sufficient in the opinion of the Corporation to make possible the conduct of the business of the new bank on a sound basis, but in no event less than that required by section 5138 of the Revised Statutes, as amended (U.S.C., title 12, sec. 51), for the organization of a national bank in the place where such new bank is located, giving the stockholders of the closed bank the first opportunity to purchase such stock. Upon proof that an adequate amount of capital stock of the new bank has been subscribed and paid for in cash by subscribers satisfactory to the Comptroller of the Currency, he shall issue to such bank a certificate

of authority to commence business and thereafter it shall be managed by directors elected by its own shareholders and may exercise all of the powers granted by law to national banking associations. If an adequate amount of capital for such new bank is not subscribed and paid in, the Corporation may offer to transfer its business to any other banking institution in the same place which will take over its assets, assume its liabilities, and pay to the Corporation for such business such amount as the Corporation may deem adequate. Unless the capital stock of the new bank is sold or its assets acquired and its liabilities assumed by another banking institution, in the manner herein prescribed, within two years from the date of its organization, the Corporation shall place the new bank in voluntary liquidation and wind up its affairs. The Corporation shall open on its books a deposit insurance account and, as soon as possible after taking possession of any closed national bank, the Corporation shall make an estimate of the amount which will be available from all sources for application in satisfaction of the portion of the claims of depositors to which it has been subrogated and shall debit to such deposit insurance account the excess, if any, of the amount made available by the Corporation to the new bank for depositors over and above the amount of such estimate. It shall be the duty of the Corporation to realize upon the assets of such closed bank, having due regard to the condition of credit in the district in which such closed bank is located; to enforce the individual liability of the stockholders and directors thereof; and to wind up the affairs of such closed bank in conformity with the provisions of law relating to the liquidation of closed national banks, except as herein otherwise provided, retaining for its own account such portion of the amount realized from such liquidation as it shall be entitled to receive on account of its subrogation to the claims of depositors and paying to depositors and other creditors the amount available for distribution to them, after deducting therefrom their share of the costs of the liquidation of the closed bank. If the total amount realized by the Corporation on account of its subrogation to the claims of depositors be less than the amount of the estimate hereinabove provided for, the deposit insurance account shall be charged with the deficiency and, if the total amount so realized shall exceed the amount of such estimate, such account shall be credited with such excess. With respect to such closed national banks, the Corporation shall have all the rights, powers, and privileges now possessed by or hereafter given receivers of insolvent national banks and shall be subject to the obligations and penalties not inconsistent with the provisions of this paragraph to which such receivers are now or may hereafter become subject.

“Whenever any State member bank which is a class A stockholder of the Corporation shall have been closed by action of its board of directors or by the appropriate State authority, as the case may be, on account of inability to meet the demands of its depositors, the Corporation shall accept appointment as receiver thereof, if such appointment be tendered by the appropriate State authority and be authorized or permitted by State law. Thereupon the Corporation shall organize a new national bank, in accordance with the provisions of this subsection, to assume the insured deposit liabilities of such closed State member bank, to receive new deposits and otherwise to

perform temporarily the functions provided for in this subsection. Upon satisfactory recognition of the right of the Corporation to receive dividends on the same basis as in the case of a closed national bank under this subsection, such recognition being accorded by State law, by allowance of claims by the appropriate State authority, by assignment of claims by depositors, or by any other effective method, the Corporation shall make available to such new national bank, in the manner prescribed by this subsection, an amount equal to the insured deposit liabilities of such closed State member bank; and the Corporation and such new national bank shall perform all of the functions and duties and shall have all the rights and privileges with respect to such State member bank and the depositors thereof which are prescribed by this subsection with respect to closed national banks holding class A stock in the Corporation: *Provided*, That the rights of depositors and other creditors of such State member bank shall be determined in accordance with the applicable provisions of State law: *And provided further*, That, with respect to such State member bank, the Corporation shall possess the powers and privileges provided by State law with respect to a receiver of such State member bank, except in so far as the same are in conflict with the provisions of this subsection.

“Whenever any State member bank which is a class A stockholder of the Corporation shall have been closed by action of its board of directors or by the appropriate State authority, as the case may be, on account of inability to meet the demands of its depositors, and the applicable State law does not permit the appointment of the Corporation as receiver of such bank, the Corporation shall organize a new national bank, in accordance with the provisions of this subsection, to assume the insured deposit liabilities of such closed State member bank, to receive new deposits, and otherwise to perform temporarily the functions provided for in this subsection. Upon satisfactory recognition of the right of the Corporation to receive dividends on the same basis as in the case of a closed national bank under this subsection, such recognition being accorded by State law, by allowance of claims by the appropriate State authority, by assignment of claims by depositors, or by any other effective method, the Corporation shall make available to such new bank, in accordance with the provisions of this subsection, the amount of insured deposit liabilities as to which such recognition has been accorded; and such new bank shall assume such insured deposit liabilities and shall in other respects comply with the provisions of this subsection respecting new banks organized to assume insured deposit liabilities of closed national banks. In so far as possible in view of the applicable provisions of State law, the Corporation shall proceed with respect to the receiver of such closed bank and with respect to the new bank organized to assume its insured deposit liabilities in the manner prescribed by this subsection with respect to closed national banks and new banks organized to assume their insured deposit liabilities; except that the Corporation shall have none of the powers, duties, or responsibilities of a receiver with respect to the winding up of the affairs of such closed State member bank. The Corporation, in its discretion, however, may purchase and liquidate any or all of the assets of such bank.

“Whenever the net debit balance of the deposit insurance account of the Corporation shall equal or exceed one fourth of 1 per centum of the total deposit liabilities of all class A stockholders as of the date of the last preceding call report, the Corporation shall levy upon such stockholders an assessment equal to one fourth of 1 per centum of their total deposit liabilities and shall credit the amount collected from such assessment to such deposit insurance account. No bank which is a holder of class A stock shall pay any dividends until all assessments levied upon it by the Corporation shall have been paid in full; and any director or officer of any such bank who participates in the declaration or payment of any such dividend may, upon conviction, be fined not more than \$1,000, or imprisoned for not more than one year, or both.

“The term ‘receiver’ as used in this section shall mean a receiver, liquidating agent, or conservator of a national bank, and a receiver, liquidating agent, conservator, commission, person, or other agency charged by State law with the responsibility and the duty of winding up the affairs of an insolvent State member bank.

“For the purposes of this section only, the term ‘national bank’ shall include all national banking associations and all banks, banking associations, trust companies, savings banks, and other banking institutions located in the District of Columbia which are members of the Federal Reserve System; and the term ‘State member bank’ shall include all State banks, banking associations, trust companies, savings banks, and other banking institutions organized under the laws of any State, which are members of the Federal Reserve System.

“In any determination of the insured deposit liabilities of any closed bank or of the total deposit liabilities of any bank which is a holder of class A stock of the Corporation, or a member of the Fund provided for in subsection (y), for the purposes of this section, there shall be excluded the amounts of all deposits of such bank which are payable only at an office thereof located in a foreign country.

“The Corporation may make such rules, regulations, and contracts as it may deem necessary in order to carry out the provisions of this section.

“Money of the Corporation not otherwise employed shall be invested in securities of the Government of the United States, except that for temporary periods, in the discretion of the board of directors, funds of the Corporation may be deposited in any Federal reserve bank or with the Treasurer of the United States. When designated for that purpose by the Secretary of the Treasury, the Corporation shall be a depository of public moneys, except receipts from customs, under such regulations as may be prescribed by the said Secretary, and may also be employed as a financial agent of the Government. It shall perform all such reasonable duties as depository of public moneys and financial agent of the Government as may be required of it.

“(m) Nothing herein contained shall be construed to prevent the Corporation from making loans to national banks closed by action of the Comptroller of the Currency, or by vote of their directors, or to State member banks closed by action of the appropriate State

authorities, or by vote of their directors, or from entering into negotiations to secure the reopening of such banks.

“(n) Receivers or liquidators of member banks which are now or may hereafter become insolvent or suspended shall be entitled to offer the assets of such banks for sale to the Corporation or as security for loans from the Corporation, upon receiving permission from the appropriate State authority in accordance with express provisions of State law in the case of State member banks, or from the Comptroller of the Currency in the case of national banks. The proceeds of every such sale or loan shall be utilized for the same purposes and in the same manner as other funds realized from the liquidation of the assets of such banks. The Comptroller of the Currency may, in his discretion, pay dividends on proved claims at any time after the expiration of the period of advertisement made pursuant to section 5235 of the Revised Statutes (U.S.C., title 12, sec. 193), and no liability shall attach to the Comptroller of the Currency or to the receiver of any national bank by reason of any such payment for failure to pay dividends to a claimant whose claim is not proved at the time of any such payment.

“(o) The Corporation is authorized and empowered to issue and to have outstanding at any one time in an amount aggregating not more than three times the amount of its capital, its notes, debentures, bonds, or other such obligations, to be redeemable at the option of the Corporation before maturity in such manner as may be stipulated in such obligations, and to bear such rate or rates of interest, and to mature at such time or times as may be determined by the Corporation: *Provided*, That the Corporation may sell on a discount basis short-term obligations payable at maturity without interest. The notes, debentures, bonds, and other such obligations of the Corporation may be secured by assets of the Corporation in such manner as shall be prescribed by its board of directors. Such obligations may be offered for sale at such price or prices as the Corporation may determine.

“(p) All notes, debentures, bonds, or other such obligations issued by the Corporation shall be exempt, both as to principal and interest, from all taxation (except estate and inheritance taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority. The Corporation, including its franchise, its capital, reserves, and surplus, and its income, shall be exempt from all taxation now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority, except that any real property of the Corporation shall be subject to State, Territorial, county, municipal or local taxation to the same extent according to its value as other real property is taxed.

“(q) In order that the Corporation may be supplied with such forms of notes, debentures, bonds, or other such obligations as it may need for issuance under this Act, the Secretary of the Treasury is authorized to prepare such forms as shall be suitable and approved by the Corporation, to be held in the Treasury subject to delivery, upon order of the Corporation. The engraved plates, dies, bed pieces, and

other material executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Corporation shall reimburse the Secretary of the Treasury for any expenses incurred in the preparation, custody, and delivery of such notes, debentures, bonds, or other such obligations.

“(r) The Corporation shall annually make a report of its operations to the Congress as soon as practicable after the 1st day of January in each year.

“(s) Whoever, for the purpose of obtaining any loan from the Corporation, or any extension or renewal thereof, or the acceptance, release, or substitution of security therefor, or for the purpose of inducing the Corporation to purchase any assets, or for the purpose of influencing in any way the action of the Corporation under this section, makes any statement, knowing it to be false, or willfully overvalues any security, shall be punished by a fine of not more than \$5,000, or by imprisonment for not more than two years, or both.

“(t) Whoever (1) falsely makes, forges, or counterfeits any obligation or coupon, in imitation of or purporting to be an obligation or coupon issued by the Corporation, or (2) passes, utters, or publishes, or attempts to pass, utter, or publish, any false, forged, or counterfeited obligation or coupon purporting to have been issued by the Corporation, knowing the same to be false, forged, or counterfeited, or (3) falsely alters any obligation or coupon issued or purporting to have been issued by the Corporation, or (4) passes, utters, or publishes, or attempts to pass, utter, or publish, as true, any falsely altered or spurious obligation or coupon, issued or purporting to have been issued by the Corporation, knowing the same to be falsely altered or spurious, shall be punished by a fine of not more than \$10,000, or by imprisonment for not more than five years, or both.

“(u) Whoever, being connected in any capacity with the Corporation, (1) embezzles, abstracts, purloins, or willfully misapplies any moneys, funds, securities, or other things of value, whether belonging to it or pledged, or otherwise intrusted to it, or (2) with intent to defraud the Corporation or any other body, politic or corporate, or any individual, or to deceive any officer, auditor, or examiner of the Corporation, makes any false entry in any book, report, or statement of or to the Corporation, or without being duly authorized draws any order or issues, puts forth, or assigns any note, debenture, bond, or other such obligation, or draft, bill of exchange, mortgage, judgment, or decree thereof, shall be punished by a fine of not more than \$10,000, or by imprisonment for not more than five years, or both.

“(v) No individual, association, partnership, or corporation shall use the words ‘Federal Deposit Insurance Corporation’, or a combination or any three of these four words, as the name or a part thereof under which he or it shall do business. No individual, association, partnership, or corporation shall advertise or otherwise represent falsely by any device whatsoever that his or its deposit liabilities are insured or in anywise guaranteed by the Federal Deposit Insurance Corporation, or by the Government of the United States, or by any instrumentality thereof; and no class A stockholder of the Federal Deposit Insurance Corporation shall

advertise or otherwise represent falsely by any device whatsoever the extent to which or the manner in which its deposit liabilities are insured by the Federal Deposit Insurance Corporation. Every individual, partnership, association, or corporation violating this subsection shall be punished by a fine of not exceeding \$1,000, or by imprisonment not exceeding one year, or both.

“(w) The provisions of sections 112, 113, 114, 115, 116, and 117 of the Criminal Code of the United States (U.S.C., title 18, ch. 5, secs. 202 to 207, inclusive), in so far as applicable, are extended to apply to contracts or agreements with the Corporation under this section, which for the purposes hereof shall be held to include loans, advances, extensions, and renewals thereof, and acceptances, releases, and substitutions of security therefor, purchases or sales of assets, and all contracts and agreements pertaining to the same.

“(x) The Secret Service Division of the Treasury Department is authorized to detect, arrest, and deliver into the custody of the United States marshal having jurisdiction any person committing any of the offenses punishable under this section.

“(y) The Corporation shall open on its books a Temporary Federal Deposit Insurance Fund (hereinafter referred to as the ‘Fund’), which shall become operative on January 1, 1934, unless the President shall by proclamation fix an earlier date, and it shall be the duty of the Corporation to insure deposits as hereinafter provided until July 1, 1934.

“Each member bank licensed before January 1, 1934, by the Secretary of the Treasury pursuant to the authority vested in him by the Executive order of the President issued March 10, 1933, shall, on or before January 1, 1934, become a member of the Fund; each member bank so licensed after such date, and each State bank trust company or mutual savings bank (referred to in this subsection as ‘State bank’, which term shall also include all banking institutions located in the District of Columbia) which becomes a member of the Federal Reserve System on or after such date, shall, upon being so licensed or so admitted to membership, become a member of the Fund; and any State bank which is not a member of the Federal Reserve System, with the approval of the authority having supervision of such State bank and certification to the Corporation by such authority that such State bank is in solvent condition, shall, after examination by, and with the approval of, the Corporation, be entitled to become a member of the Fund and to the privileges of this subsection upon agreeing to comply with the requirements thereof and upon paying to the Corporation an amount equal to the amount that would be required of it under this subsection if it were a member bank. The Corporation is authorized to prescribe rules and regulations for the further examination of such State bank, and to fix the compensation of examiners employed to make examinations of State banks.

“Each member of the Fund shall file with the Corporation on or before the date of its admission a certified statement under oath showing, as of the fifteenth day of the month preceding the month in which it was so admitted, the number of its depositors and the total amount of its deposits which are eligible for insurance under this subsection, and shall pay to the Corporation an amount equal

to one-half of 1 per centum of the total amount of the deposits so certified. One-half of such payment shall be paid in full at the time of the admission of such member to the Fund, and the remainder of such payment shall be subject to call from time to time by the board of directors of the Corporation. Within a reasonable time fixed by the Corporation each such member shall file a similar statement showing, as of June 15, 1934, the number of its depositors and the total amount of its deposits which are eligible for such insurance and shall pay to the Corporation in the same manner an amount equal to one-half of 1 per centum of the increase, if any, in the total amount of such deposits since the date covered by the statement filed upon its admission to membership in the fund.

“If at any time prior to July 1, 1934, the Corporation requires additional funds with which to meet its obligations under this subsection, each member of the Fund shall be subject to one additional assessment only in an amount not exceeding the total amount theretofore paid to the Corporation by such member.

“If any member of the Fund shall be closed on or before June 30, 1934, on account of inability to meet its deposit liabilities, the Corporation shall proceed in accordance with the provisions of subsection (1) of this section to pay the insured deposit liabilities of such member; except that the Corporation shall pay not more than \$2,500 on account of the net approved claim of the owner of any deposit. The provisions of such subsection (1) relating to State member banks shall be extended for the purposes of this subsection to members of the Fund which are not members of the Federal Reserve System; and the provisions of this subsection shall apply only to deposits of members of the Fund which have been made available since March 10, 1933, for withdrawal in the usual course of the banking business.

“Before July 1, 1934, the Corporation shall make an estimate of the balance, if any, which will remain in the Fund after providing for all liabilities of the Fund, including expenses of operation thereof under this subsection and allowing for anticipated recoveries. The Corporation shall refund such estimated balance, on such basis as the Corporation shall find to be equitable, to the members of the Fund other than those which have been closed prior to July 1, 1934.

“Each State bank which is a member of the Fund, in order to obtain the benefits of this section after July 1, 1934, shall, on or before such date, subscribe and pay for the same amount of class A stock of the Corporation as it would be required to subscribe and pay for upon becoming a member bank, or if such State bank is not permitted by the laws under which it was organized to purchase such stock, it shall deposit with the Corporation an amount equal to the amount it would have been required to pay in on account of a subscription to such stock; and thereafter such State bank shall be entitled to such benefits until July 1, 1936.

“It is not the purpose of this section to discriminate, in any manner, against State nonmember, and in favor of, national or member banks; but the purpose is to provide all banks with the same opportunity to obtain and enjoy the benefits of this section. No bank shall be discriminated against because its capital stock is less

than the amount required for eligibility for admission into the Federal Reserve System.”

SEC. 9. The eighth paragraph of section 13 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 347; Supp. VI, title 12, sec. 347), is amended to read as follows:

“Any Federal reserve bank may make advances for periods not exceeding fifteen days to its member banks on their promissory notes secured by the deposit or pledge of bonds, notes, certificates of indebtedness, or Treasury bills of the United States, or by the deposit or pledge of debentures or other such obligations of Federal intermediate credit banks which are eligible for purchase by Federal reserve banks under section 13 (a) of this Act; and any Federal reserve bank may make advances for periods not exceeding ninety days to its member banks on their promissory notes secured by such notes, drafts, bills of exchange, or bankers’ acceptances as are eligible for rediscount or for purchase by Federal reserve banks under the provisions of this Act. All such advances shall be made at rates to be established by such Federal reserve banks, such rates to be subject to the review and determination of the Federal Reserve Board. If any member bank to which any such advance has been made shall, during the life or continuance of such advance, and despite an official warning of the reserve bank of the district or of the Federal Reserve Board to the contrary, increase its outstanding loans secured by collateral in the form of stocks, bonds, debentures, or other such obligations, or loans made to members of any organized stock exchange, investment house, or dealer in securities, upon any obligation, note, or bill, secured or unsecured, for the purpose of purchasing and/or carrying stocks, bonds, or other investment securities (except obligations of the United States) such advance shall be deemed immediately due and payable, and such member bank shall be ineligible as a borrower at the reserve bank of the district under the provisions of this paragraph for such period as the Federal Reserve Board shall determine: *Provided*, That no temporary carrying or clearance loans made solely for the purpose of facilitating the purchase or delivery of securities offered for public subscription shall be included in the loans referred to in this paragraph.”

SEC. 10. Section 14 of the Federal Reserve Act, as amended (U. S. C., title 12, secs. 353–358), is amended by adding at the end thereof the following new paragraph:

“(g) The Federal Reserve Board shall exercise special supervision over all relationships and transactions of any kind entered into by any Federal reserve bank with any foreign bank or banker, or with any group of foreign banks or bankers, and all such relationships and transactions shall be subject to such regulations, conditions, and limitations as the Board may prescribe. No officer or other representative of any Federal reserve bank shall conduct negotiations of any kind with the officers or representatives of any foreign bank or banker without first obtaining the permission of the Federal Reserve Board. The Federal Reserve Board shall have the right, in its discretion, to be represented in any conference or negotiations by such representative or representatives as the Board may designate. A full report of all conferences or negotiations, and all understand-

ings or agreements arrived at or transactions agreed upon, and all other material facts appertaining to such conferences or negotiations, shall be filed with the Federal Reserve Board in writing by a duly authorized officer of each Federal reserve bank which shall have participated in such conferences or negotiations."

SEC. 11. (a) Section 19 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 142, 374, 461-466; Supp. VI, title 12, sec. 462a), is amended by inserting after the sixth paragraph thereof the following new paragraph:

"No member bank shall act as the medium or agent of any non-banking corporation, partnership, association, business trust, or individual in making loans on the security of stocks, bonds, and other investment securities to brokers or dealers in stocks, bonds, and other investment securities. Every violation of this provision by any member bank shall be punishable by a fine of not more than \$100 per day during the continuance of such violation; and such fine may be collected, by suit or otherwise, by the Federal reserve bank of the district in which such member bank is located."

(b) Such section 19 of the Federal Reserve Act, as amended, is further amended by adding at the end thereof the following new paragraphs:

"No member bank shall, directly or indirectly by any device whatsoever, pay any interest on any deposit which is payable on demand: *Provided*, That nothing herein contained shall be construed as prohibiting the payment of interest in accordance with the terms of any certificate of deposit or other contract heretofore entered into in good faith which is in force on the date of the enactment of this paragraph; but no such certificate of deposit or other contract shall be renewed or extended unless it shall be modified to conform to this paragraph, and every member bank shall take such action as may be necessary to conform to this paragraph as soon as possible consistently with its contractual obligations: *Provided, however*, That this paragraph shall not apply to any deposit of such bank which is payable only at an office thereof located in a foreign country, and shall not apply to any deposit made by a mutual savings bank, nor to any deposit of public funds made by or on behalf of any State, county, school district, or other subdivision or municipality, with respect to which payment of interest is required under State law.

"The Federal Reserve Board shall from time to time limit by regulation the rate of interest which may be paid by member banks on time deposits, and may prescribe different rates for such payment on time and savings deposits having different maturities or subject to different conditions respecting withdrawal or repayment or subject to different conditions by reason of different locations. No member bank shall pay any time deposit before its maturity, or waive any requirement of notice before payment of any savings deposit except as to all savings deposits having the same requirement."

(c) Section 8 of the Act entitled "An Act to establish postal savings depositories for depositing savings at interest with the security of the Government for repayment thereof, and for other purposes", approved June 25, 1910, as amended (U.S.C., title 39, sec. 758), is amended by striking out the first sentence thereof and

inserting in lieu thereof the following: "Any depositor may withdraw the whole or any part of the funds deposited to his or her credit with the accrued interest only on notice given sixty days in advance and under such regulations as the Postmaster General may prescribe; but withdrawal of any part of such funds may be made upon demand, but no interest shall be paid on any funds so withdrawn except interest accrued to the date of enactment of the Banking Act of 1933: *Provided*, That Postal Savings depositories may deposit funds in member banks on time under regulations to be prescribed by the Postmaster General."

(d) The second sentence of section 9 of the Act entitled "An Act to establish postal savings depositories for depositing savings at interest with the security of the Government for repayment thereof, and for other purposes", approved June 25, 1910, as amended (U.S.C., title 39, sec. 759), is amended by striking out the period at the end thereof and inserting in lieu thereof a colon and the following: "*Provided*, That no such security shall be required in case of such part of the deposits as are insured under section 12B of the Federal Reserve Act, as amended."

SEC. 12. Section 22 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 375, 376, 503, 593-595; Supp. VI, title 12, sec. 593), is further amended by adding at the end thereof the following new paragraph:

"(g) No executive officer of any member bank shall borrow from or otherwise become indebted to any member bank of which he is an executive officer, and no member bank shall make any loan or extend credit in any other manner to any of its own executive officers: *Provided*, That loans heretofore made to any such officer may be renewed or extended not more than two years from the date this paragraph takes effect, if in accord with sound banking practice. If any executive officer of any member bank borrow from or if he be or become indebted to any bank other than a member bank of which he is an executive officer, he shall make a written report to the chairman of the board of directors of the member bank of which he is an executive officer, stating the date and amount of such loan or indebtedness, the security therefor, and the purpose for which the proceeds have been or are to be used. Any executive officer of any member bank violating the provisions of this paragraph shall be deemed guilty of a misdemeanor and shall be imprisoned not exceeding one year, or fined not more than \$5,000, or both; and any member bank violating the provisions of this paragraph shall be fined not more than \$10,000, and may be fined a further sum equal to the amount so loaned or credit so extended."

SEC. 13. The Federal Reserve Act, as amended, is amended by inserting between sections 23 and 24 thereof (U.S.C., title 12, secs. 64 and 371; Supp. VI, title 12, sec. 371) the following new section:

"SEC. 23A. No member bank shall (1) make any loan or any extension of credit to, or purchase securities under repurchase agreement from, any of its affiliates, or (2) invest any of its funds in the capital stock, bonds, debentures, or other such obligations of any such affiliate, or (3) accept the capital stock, bonds, debentures, or other such obligations of any such affiliate as collateral security for advances made to any person, partnership, association, or corpora-

tion, if, in the case of any such affiliate, the aggregate amount of such loans, extensions of credit, repurchase agreements, investments, and advances against such collateral security will exceed 10 per centum of the capital stock and surplus of such member bank, or if, in the case of all such affiliates, the aggregate amount of such loans, extensions of credits, repurchase agreements, investments, and advances against such collateral security will exceed 20 per centum of the capital stock and surplus of such member bank.

“Within the foregoing limitations, each loan or extension of credit of any kind or character to an affiliate shall be secured by collateral in the form of stocks, bonds, debentures, or other such obligations having a market value at the time of making the loan or extension of credit of at least 20 per centum more than the amount of the loan or extension of credit, or of at least 10 per centum more than the amount of the loan or extension of credit if it is secured by obligations of any State, or of any political subdivision or agency thereof: *Provided*, That the provisions of this paragraph shall not apply to loans or extensions of credit secured by obligations of the United States Government, the Federal intermediate credit banks, the Federal land banks, the Federal Home Loan Banks, or the Home Owners' Loan Corporation, or by such notes, drafts, bills of exchange, or bankers' acceptances as are eligible for rediscount or for purchase by Federal reserve banks. A loan or extension of credit to a director officer, clerk, or other employee or any representative of any such affiliate shall be deemed a loan to the affiliate to the extent that the proceeds of such loan are used for the benefit of, or transferred to, the affiliate.

“For the purposes of this section the term ‘affiliate’ shall include holding company affiliates as well as other affiliates, and the provisions of this section shall not apply to any affiliate (1) engaged solely in holding the bank premises of the member bank with which it is affiliated, (2) engaged solely in conducting a safe-deposit business or the business of an agricultural credit corporation or livestock loan company, (3) in the capital stock of which a national banking association is authorized to invest pursuant to section 25 of the Federal Reserve Act, as amended, (4) organized under section 25 (a) of the Federal Reserve Act, as amended, or (5) engaged solely in holding obligations of the United States Government, the Federal intermediate credit banks, the Federal land banks, the Federal Home Loan Banks, or the Home Owners' Loan Corporation; but as to any such affiliate, member banks shall continue to be subject to other provisions of law applicable to loans by such banks and investments by such banks in stocks, bonds, debentures, or other such obligations.”

SEC. 14. The Federal Reserve Act, as amended, is amended by inserting between section 24 and section 25 thereof (U.S.C., title 12, secs. 371 and 601-605; Supp. VI, title 12, sec. 371) the following new section:

“SEC. 24A. Hereafter no national bank, without the approval of the Comptroller of the Currency, and no State member bank, without the approval of the Federal Reserve Board, shall (1) invest in bank premises, or in the stock, bonds, debentures, or other such obligations of any corporation holding the premises of such bank

or (2) make loans to or upon the security of the stock of any such corporation, if the aggregate of all such investments and loans will exceed the amount of the capital stock of such bank."

SEC. 15. The Federal Reserve Act, as amended, is further amended by inserting after section 25 (a) thereof (U.S.C., title 12, sec. 611-631) the following new section:

"SEC. 25. (b) Notwithstanding any other provision of law all suits of a civil nature at common law or in equity to which any corporation organized under the laws of the United States shall be a party, arising out of transactions involving international or foreign banking, or banking in a dependency or insular possession of the United States, or out of other international or foreign financial operations, either directly or through the agency, ownership, or control of branches or local institutions in dependencies or insular possessions of the United States or in foreign countries, shall be deemed to arise under the laws of the United States, and the district courts of the United States shall have original jurisdiction of all such suits; and any defendant in any such suit may, at any time before the trial thereof, remove such suits from a State court into the district court of the United States for the proper district by following the procedure for the removal of causes otherwise provided by law. Such removal shall not cause undue delay in the trial of such case and a case so removed shall have a place on the calendar of the United States court to which it is removed relative to that which it held on the State court from which it was removed.

"Notwithstanding any other provision of law, all suits of a civil nature at common law or in equity to which any Federal Reserve bank shall be a party shall be deemed to arise under the laws of the United States, and the district courts of the United States shall have original jurisdiction of all such suits; and any Federal Reserve bank which is a defendant in any such suit may, at any time before the trial thereof, remove such suit from a State court into the district court of the United States for the proper district by following the procedure for the removal of causes otherwise provided by law. No attachment or execution shall be issued against any Federal Reserve bank or its property before final judgment in any suit, action, or proceeding in any State, county, municipal, or United States court."

SEC. 16. Paragraph "Seventh" of section 5136 of the Revised Statutes, as amended (U.S.C., title 12, sec. 24; Supp. VI, title 12, sec. 24), is amended to read as follows:

The business of dealing in investment securities by the association shall be limited to purchasing and selling such securities without recourse, solely upon the order, and for the account of, customers, and in no case for its own account, and the association shall not underwrite any issue of securities: *Provided*, That the association may purchase for its own account investment securities under

such limitations and restrictions as the Comptroller of the Currency may by regulation prescribe, but in no event (1) shall the total amount of any issue of investment securities of any one obligor or maker purchased after this section as amended takes effect and held by the association for its own account exceed at any time 10 per centum of the total amount of such issue outstanding, but this limitation shall not apply to any such issue the total amount of which does not exceed \$100,000 and does not exceed 50 per centum of the capital of the association, nor (2) shall the total amount of the investment securities of any one obligor or maker purchased after this section as amended takes effect and held by the association for its own account exceed at any time 15 per centum of the amount of the capital stock of the association actually paid in and unimpaired and 25 per centum of its unimpaired surplus fund. As used in this section the term 'investment securities' shall mean marketable obligations evidencing indebtedness of any person, copartnership, association, or corporation in the form of bonds, notes and/or debentures commonly known as investment securities under such further definition of the term 'investment securities' as may by regulation be prescribed by the Comptroller of the Currency. Except as hereinafter provided or otherwise permitted by law, nothing herein contained shall authorize the purchase by the association of any shares of stock of any corporation. The limitations and restrictions herein contained as to dealing in, underwriting and purchasing for its own account, investment securities shall not apply to obligations of the United States, or general obligations of any State or of any political subdivision thereof, or obligations issued under authority of the Federal Farm Loan Act, as amended, or issued by the Federal Home Loan Banks or the Home Owners' Loan Corporation: *Provided*, That in carrying on the business commonly known as the safe-deposit business the association shall not invest in the capital stock of a corporation organized under the law of any State to conduct a safe-deposit business in an amount in excess of 15 per centum of the capital stock of the association actually paid in and unimpaired and 15 per centum of its unimpaired surplus."

The restrictions of this section as to dealing in investment securities shall take effect one year after the date of the approval of this Act.

SEC. 17. (a) Section 5138 of the Revised Statutes, as amended (U.S.C., title 12, sec. 51; Supp. VI, title 12, sec. 51), is amended to read as follows:

"SEC. 5138. After this section as amended takes effect, no national banking association shall be organized with a less capital than \$100,000, except that such associations with a capital of not less than \$50,000 may be organized in any place the population of which does not exceed six thousand inhabitants. No such association shall be organized in a city the population of which exceeds fifty thousand persons with a capital of less than \$200,000, except that in the outlying districts of such a city where the State laws permit the organization of State banks with a capital of \$100,000 or less, national banking associations now organized or hereafter organized may, with the approval of the Comptroller of the Currency, have a capital of not less than \$100,000."

(b) The tenth paragraph of section 9 of the Federal Reserve Act, as amended (U.S.C., title 12, sec. 329), is amended to read as follows:

"No applying bank shall be admitted to membership in a Federal reserve bank unless it possesses a paid-up unimpaired capital sufficient to entitle it to become a national banking association in the place where it is situated under the provisions of the National Bank Act, as amended: *Provided*, That this paragraph shall not apply to State banks and trust companies organized prior to the date this paragraph as amended takes effect and situated in a place the population of which does not exceed three thousand inhabitants and having a capital of not less than \$25,000, nor to any State bank or trust company which is so situated and which, while it is entitled to the benefits of insurance under section 12B of this Act, increases its capital to not less than \$25,000."

SEC. 18. Section 5139 of the Revised Statutes, as amended (U.S.C., title 12, sec. 52; Supp. VI, title 12, sec. 52), is amended by adding at the end thereof the following new paragraph:

"After one year from the date of the enactment of the Banking Act of 1933, no certificate representing the stock of any such association shall represent the stock of any other corporation, except a member bank or a corporation existing on the date this paragraph takes effect engaged solely in holding the bank premises of such association, nor shall the ownership, sale, or transfer of any certificate representing the stock of any such association be conditioned in any manner whatsoever upon the ownership, sale, or transfer of a certificate representing the stock of any other corporation, except a member bank."

SEC. 19. Section 5144 of the Revised Statutes, as amended (U.S.C., title 12, sec. 61), is amended to read as follows:

"SEC. 5144. In all elections of directors, each shareholder shall have the right to vote the number of shares owned by him for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of his shares shall equal, or to distribute them on the same principle among as many candidates as he shall think fit; and in deciding all other questions at meetings of shareholders, each shareholder shall be entitled to one vote on each share of stock held by him; except (1) that shares of its own stock held by a national bank as sole trustee shall not be voted, and shares of its own stock held by a national bank and one or more persons as trustees may be voted by such other person or persons, as trustees, in the same manner as if he or they were the sole trustee, and (2) shares controlled by any holding company affiliate of a national bank shall not be voted unless such holding company affiliate shall have first obtained a voting permit as hereinafter provided, which permit is in force at the time such shares are voted. Shareholders may vote by proxies duly authorized in writing; but no officer, clerk, teller, or bookkeeper of such bank shall act as proxy; and no shareholder whose liability is past due and unpaid shall be allowed to vote.

"For the purposes of this section shares shall be deemed to be controlled by a holding company affiliate if they are owned or controlled directly or indirectly by such holding company affiliate, or held by any trustee for the benefit of the shareholders or members thereof.

"Any such holding company affiliate may make application to the Federal Reserve Board for a voting permit entitling it to cast one vote at all elections of directors and in deciding all questions at meetings of shareholders of such bank on each share of stock controlled by it or authorizing the trustee or trustees holding the stock for its benefit or for the benefit of its shareholders so to vote the same. The Federal Reserve Board may, in its discretion, grant or withhold such permit as the public interest may require. In acting upon such application, the Board shall consider the financial condition of the applicant, the general character of its management, and the probable effect of the granting of such permit upon the affairs of such bank, but no such permit shall be granted except upon the following conditions:

"(a) Every such holding company affiliate shall, in making the application for such permit, agree (1) to receive, on dates identical with those fixed for the examination of banks with which it is affiliated, examiners duly authorized to examine such banks, who shall make such examinations of such holding company affiliate as shall be necessary to disclose fully the relations between such banks and such holding company affiliate and the effect of such relations upon the affairs of such banks, such examinations to be at the expense of the holding company affiliate so examined; (2) that the reports of such examiners shall contain such information as shall be necessary to disclose fully the relations between such affiliate and such banks and the effect of such relations upon the affairs of such banks; (3) that such examiners may examine each bank owned or controlled by the holding company affiliate, both individually and in conjunction with other banks owned or controlled by such holding company affiliate; and (4) that publication of individual or consolidated statements of condition of such banks may be required;

"(b) After five years after the enactment of the Banking Act of 1933, every such holding company affiliate (1) shall possess, and shall continue to possess during the life of such permit, free and clear of any lien, pledge, or hypothecation of any nature, readily marketable assets other than bank stock in an amount not less than 12 per centum of the aggregate par value of all bank stocks controlled by such holding company affiliate, which amount shall be increased by not less than 2 per centum per annum of such aggregate par value until such assets shall amount to 25 per centum of the aggregate par value of such bank stocks; and (2) shall reinvest in readily marketable assets other than bank stock all net earnings over and above 6 per centum per annum on the book value of its own shares outstanding until such assets shall amount to such 25 per centum of the aggregate par value of all bank stocks controlled by it;

"(c) Notwithstanding the foregoing provisions of this section, after five years after the enactment of the Banking Act of 1933, (1) any such holding company affiliate the shareholders or members of which shall be individually and severally liable in proportion to the number of shares of such holding company affiliate held by them respectively, in addition to amounts invested therein, for all statutory liability imposed on such holding company affiliate by reason of its control of shares of stock of banks, shall be required only to

establish and maintain out of net earnings over and above 6 per centum per annum on the book value of its own shares outstanding a reserve of readily marketable assets in an amount of not less than 12 per centum of the aggregate par value of bank stocks controlled by it, and (2) the assets required by this section to be possessed by such holding company affiliate may be used by it for replacement of capital in banks affiliated with it and for losses incurred in such banks, but any deficiency in such assets resulting from such use shall be made up within such period as the Federal Reserve Board may by regulation prescribe;

“(d) Every officer, director, agent, and employee of every such holding company affiliate shall be subject to the same penalties for false entries in any book, report, or statement of such holding company affiliate as are applicable to officers, directors, agents, and employees of member banks under section 5209 of the Revised Statutes, as amended (U.S.C., title 12, sec. 592); and

“(e) Every such holding company affiliate shall, in its application for such voting permit, (1) show that it does not own, control, or have any interest in, and is not participating in the management or direction of, any corporation, business trust, association, or other similar organization formed for the purpose of, or engaged principally in, the issue, flotation, underwriting, public sale, or distribution, at wholesale or retail or through syndicate participation, of stocks, bonds, debentures, notes, or other securities of any sort (hereinafter referred to as ‘securities company’); (2) agree that during the period that the permit remains in force it will not acquire any ownership, control, or interest in any such securities company or participate in the management or direction thereof; (3) agree that if, at the time of filing the application for such permit, it owns, controls, or has an interest in, or is participating in the management or direction of, any such securities company, it will, within five years after the filing of such application, divest itself of its ownership, control, and interest in such securities company and will cease participating in the management or direction thereof, and will not thereafter, during the period that the permit remains in force, acquire any further ownership, control, or interest in any such securities company or participate in the management or direction thereof; and (4) agree that thenceforth it will declare dividends only out of actual net earnings.

“If at any time it shall appear to the Federal Reserve Board that any holding company affiliate has violated any of the provisions of the Banking Act of 1933 or of any agreement made pursuant to this section, the Federal Reserve Board may, in its discretion, revoke any such voting permit after giving sixty days’ notice by registered mail of its intention to the holding company affiliate and affording it an opportunity to be heard. Whenever the Federal Reserve Board shall have revoked any such voting permit, no national bank whose stock is controlled by the holding company affiliate whose permit is so revoked shall receive deposits of public moneys of the United States, nor shall any such national bank pay any further dividend to such holding company affiliate upon any shares of such bank controlled by such holding company affiliate.

“Whenever the Federal Reserve Board shall have revoked any voting permit as hereinbefore provided, the rights, privileges, and franchises of any or all national banks the stock of which is controlled by such holding company affiliate shall, in the discretion of the Federal Reserve Board, be subject to forfeiture in accordance with section 2 of the Federal Reserve Act, as amended.”

SEC. 20. After one year from the date of the enactment of this Act, no member bank shall be affiliated in any manner described in section 2 (b) hereof with any corporation, association, business trust, or other similar organization engaged principally in the issue, flotation, underwriting, public sale, or distribution at wholesale or retail or through syndicate participation of stocks, bonds, debentures, notes, or other securities.

For every violation of this section the member bank involved shall be subject to a penalty not exceeding \$1,000 per day for each day during which such violation continues. Such penalty may be assessed by the Federal Reserve Board, in its discretion, and, when so assessed, may be collected by the Federal reserve bank by suit or otherwise.

If any such violation shall continue for six calendar months after the member bank shall have been warned by the Federal Reserve Board to discontinue the same, (a) in the case of a national bank, all the rights, privileges, and franchises granted to it under the National Bank Act may be forfeited in the manner prescribed in section 2 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 141, 222-225, 281-286, and 502), or, (b) in the case of a State member bank, all of its rights and privileges of membership in the Federal Reserve System may be forfeited in the manner prescribed in section 9 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 321-332).

SEC. 21. (a) After the expiration of one year after the date of enactment of this Act it shall be unlawful—

(1) For any person, firm, corporation, association, business trust, or other similar organization, engaged in the business of issuing, underwriting, selling, or distributing, at wholesale or retail, or through syndicate participation, stocks, bonds, debentures, notes, or other securities, to engage at the same time to any extent whatever in the business of receiving deposits subject to check or to repayment upon presentation of a passbook, certificate of deposit, or other evidence of debt, or upon request of the depositor; or

(2) For any person, firm, corporation, association, business trust, or other similar organization, other than a financial institution or private banker subject to examination and regulation under State or Federal law, to engage to any extent whatever in the business of receiving deposits subject to check or to repayment upon presentation of a passbook, certificate of deposit, or other evidence of debt, or upon request of the depositor, unless such person, firm, corporation, association, business trust, or other similar organization shall submit to periodic examination by the Comptroller of the Currency or by the Federal reserve bank of the district and shall make and publish periodic reports of its condition, exhibiting in detail its resources and liabilities, such examination and reports to be made and published at the same times and in the same manner and with like effect

and penalties as are now provided by law in respect of national banking associations transacting business in the same locality.

(b) Whoever shall willfully violate any of the provisions of this section shall upon conviction be fined not more than \$5,000 or imprisoned not more than five years, or both, and any officer, director, employee, or agent of any person, firm, corporation, association, business trust, or other similar organization who knowingly participates in any such violation shall be punished by a like fine or imprisonment or both.

SEC. 22. The additional liability imposed upon shareholders in national banking associations by the provisions of section 5151 of the Revised Statutes, as amended, and section 23 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 63 and 64), shall not apply with respect to shares in any such association issued after the date of enactment of this Act.

SEC. 23. Paragraph (c) of section 5155 of the Revised Statutes, as amended (U.S.C., title 12, sec. 36), is amended to read as follows:

“(c) A national banking association may, with the approval of the Comptroller of the Currency, establish and operate new branches: (1) Within the limits of the city, town or village in which said association is situated, if such establishment and operation are at the time expressly authorized to State banks by the law of the State in question; and (2) at any point within the State in which said association is situated, if such establishment and operation are at the time authorized to State banks by the statute law of the State in question by language specifically granting such authority affirmatively and not merely by implication or recognition, and subject to the restrictions as to location imposed by the law of the State on State banks. No such association shall establish a branch outside of the city, town, or village in which it is situated unless it has a paid-in and unimpaired capital stock of not less than \$500,000: *Provided*, That in States with a population of less than one million, and which have no cities located therein with a population exceeding one hundred thousand, the capital shall be not less than \$250,000: *Provided*, That in States with a population of less than one-half million, and which have no cities located therein with a population exceeding fifty thousand, the capital shall not be less than \$100,000.”

Paragraph (d) of section 5155 of the Revised Statutes, as amended (U.S.C., title 12, sec. 36), is amended to read as follows:

“(d) The aggregate capital of every national banking association and its branches shall at no time be less than the aggregate minimum capital required by law for the establishment of an equal number of national banking associations situated in the various places where such association and its branches are situated.”

SEC. 24. (a) Sections 1 and 3 of the Act entitled “An Act to provide for the consolidation of national banking associations”, approved November 7, 1918, as amended (U.S.C., title 12, secs. 33, 34, and 34a), are amended by striking out the words “county, city, town, or village” wherever they occur in each such section, and inserting in lieu thereof the words “State, county, city, town, or village.”

(b) Section 3 of such Act of November 7, 1918, as amended, is further amended by striking out the second sentence thereof and inserting in lieu thereof the following: “The capital stock of such

consolidated association shall not be less than that required under existing law for the organization of a national banking association in the place in which such consolidated association is located. Upon such a consolidation, or upon a consolidation of two or more national banking associations under section 1 of this Act, the corporate existence of each of the constituent banks and national banking associations participating in such consolidation shall be merged into and continued in the consolidated national banking association and the consolidated association shall be deemed to be the same corporation as each of the constituent institutions. All the rights, franchises, and interests of each of such constituent banks and national banking associations in and to every species of property, real, personal, and mixed, and choses in action thereto belonging, shall be deemed to be transferred to and vested in such consolidated national banking association without any deed or other transfer; and such consolidated national banking association, by virtue of such consolidation and without any order or other action on the part of any court or otherwise, shall hold and enjoy the same and all rights of property, franchises, and interests, including appointments, designations, and nominations and all other rights and interests as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, committee of estates of lunatics and in every other fiduciary capacity, in the same manner and to the same extent as such rights, franchises, and interests were held or enjoyed by any such constituent institution at the time of such consolidation: *Provided, however,* That where any such constituent institution at the time of such consolidation was acting under appointment of any court as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, committee of estates of lunatics or in any other fiduciary capacity, the consolidated national banking association shall be subject to removal by a court of competent jurisdiction in the same manner and to the same extent as was such constituent corporation prior to the consolidation, and nothing herein contained shall be construed to impair in any manner the right of any court to remove such a consolidated national banking association and to appoint in lieu thereof a substitute trustee, executor, or other fiduciary, except that such right shall not be exercised in such a manner as to discriminate against national banking associations, nor shall any such consolidated association be removed solely because of the fact that it is a national banking association."

SEC. 25. The first two sentences of section 5197 of the Revised Statutes (U.S.C., title 12, sec. 85) are amended to read as follows:

"Any association may take, receive, reserve, and charge on any loan or discount made, or upon any notes, bills of exchange, or other evidences of debt, interest at the rate allowed by the laws of the State, Territory, or District where the bank is located, or at a rate of 1 per centum in excess of the discount rate on ninety-day commercial paper in effect at the Federal reserve bank in the Federal reserve district where the bank is located, whichever may be the greater, and no more, except that where by the laws of any State a different rate is limited for banks organized under State laws, the rate so limited shall be allowed for associations organized or existing in any such State under this title. When no rate is fixed by the laws of the

State, or Territory, or District, the bank may take, receive, reserve, or charge a rate not exceeding 7 per centum, or 1 per centum in excess of the discount rate on ninety-day commercial paper in effect at the Federal reserve bank in the Federal reserve district where the bank is located, whichever may be the greater, and such interest may be taken in advance, reckoning the days for which the note, bill, or other evidence of debt has to run."

SEC. 26. (a) The second sentence of the first paragraph of section 5200 of the Revised Statutes, as amended (U.S.C., title 12, sec. 84; Supp. VI, title 12, sec. 84), is amended by inserting before the period at the end thereof the following: "and shall include in the case of obligations of a corporation all obligations of all subsidiaries thereof in which such corporation owns or controls a majority interest."

(b) The amendment made by this section shall not apply to such obligations of subsidiaries held by such association on the date this section takes effect.

SEC. 27. Section 5211 of the Revised Statutes, as amended (U.S.C., title 12, sec. 161; Supp. VI, title 12, sec. 161), is amended by adding at the end thereof the following new paragraph:

"Each national banking association shall obtain from each of its affiliates other than member banks and furnish to the Comptroller of the Currency not less than three reports during each year, in such form as the Comptroller may prescribe, verified by the oath or affirmation of the president or such other officer as may be designated by the board of directors of such affiliate to verify such reports, disclosing the information hereinafter provided for as of dates identical with those for which the Comptroller shall during such year require the reports of the condition of the association. For the purpose of this section the term 'affiliate' shall include holding company affiliates as well as other affiliates. Each such report of an affiliate shall be transmitted to the Comptroller at the same time as the corresponding report of the association, except that the Comptroller may, in his discretion, extend such time for good cause shown. Each such report shall contain such information as in the judgment of the Comptroller of the Currency shall be necessary to disclose fully the relations between such affiliate and such bank and to enable the Comptroller to inform himself as to the effect of such relations upon the affairs of such bank. The reports of such affiliates shall be published by the association under the same conditions as govern its own condition reports. The Comptroller shall also have power to call for additional reports with respect to any such affiliate whenever in his judgment the same are necessary in order to obtain a full and complete knowledge of the conditions of the association with which it is affiliated. Such additional reports shall be transmitted to the Comptroller of the Currency in such form as he may prescribe. Any such affiliated bank which fails to obtain and furnish any report required under this section shall be subject to a penalty of \$100 for each day during which such failure continues."

SEC. 28. (a) The first paragraph of section 5240 of the Revised Statutes, as amended (U.S.C., title 12, sec. 481), is amended by inserting before the period at the end thereof a colon and the following proviso: "*Provided*, That in making the examination of any national bank the examiners shall include such an examination of

the affairs of all its affiliates other than member banks as shall be necessary to disclose fully the relations between such bank and such affiliates and the effect of such relations upon the affairs of such bank; and in the event of the refusal to give any information required in the course of the examination of any such affiliate, or in the event of the refusal to permit such examination, all the rights, privileges, and franchises of the bank shall be subject to forfeiture in accordance with section 2 of the Federal Reserve Act, as amended (U.S.C., title 12, secs. 141, 222-225, 281-286, and 502). The Comptroller of the Currency shall have power, and he is hereby authorized, to publish the report of his examination of any national banking association or affiliate which shall not within one hundred and twenty days after notification of the recommendations or suggestions of the Comptroller, based on said examination, have complied with the same to his satisfaction. Ninety days' notice prior to such publicity shall be given to the bank or affiliate."

(b) Section 5240 of the Revised Statutes, as amended (U.S.C., title 12, sec. 481), is further amended by adding after the first paragraph thereof the following new paragraph:

"The examiner making the examination of any affiliate of a national bank shall have power to make a thorough examination of all the affairs of the affiliate, and in doing so he shall have power to administer oaths and to examine any of the officers, directors, employees, and agents thereof under oath and to make a report of his findings to the Comptroller of the Currency. The expense of examinations of such affiliates may be assessed by the Comptroller of the Currency upon the affiliates examined in proportion to assets or resources held by the affiliates upon the dates of examination of the various affiliates. If any such affiliate shall refuse to pay such expenses or shall fail to do so within sixty days after the date of such assessment, then such expenses may be assessed against the affiliated national bank and, when so assessed, shall be paid by such national bank: *Provided, however,* That, if the affiliation is with two or more national banks, such expenses may be assessed against, and collected from, any or all of such national banks in such proportions as the Comptroller of the Currency may prescribe. The examiners and assistant examiners making the examinations of national banking associations and affiliates thereof herein provided for and the chief examiners, reviewing examiners and other persons whose services may be required in connection with such examinations or the reports thereof, shall be employed by the Comptroller of the Currency with the approval of the Secretary of the Treasury; the employment and compensation of examiners, chief examiners, reviewing examiners, assistant examiners, and of the other employees of the office of the Comptroller of the Currency whose compensation is paid from assessments on banks or affiliates thereof shall be without regard to the provisions of other laws applicable to officers or employees of the United States. The funds derived from such assessments may be deposited by the Comptroller of the Currency in accordance with the provisions of section 5234 of the Revised Statutes (U.S.C., title 12, sec. 192) and shall not be construed to be Government funds or appropriated monies; and the Comptroller of the Currency is authorized and empowered to prescribe regulations governing the

computation and assessment of the expenses of examinations herein provided for and the collection of such assessments from the banks and/or affiliates examined. If any affiliate of a national bank shall refuse to permit an examiner to make an examination of the affiliate or shall refuse to give any information required in the course of any such examination, the national bank with which it is affiliated shall be subject to a penalty of not more than \$100 for each day that any such refusal shall continue. Such penalty may be assessed by the Comptroller of the Currency and collected in the same manner as expenses of examinations."

SEC. 29. In any case in which, in the opinion of the Comptroller of the Currency, it would be to the advantage of the depositors and unsecured creditors of any national banking association whose business has been closed, for such association to resume business upon the retention by the association, for a reasonable period to be prescribed by the Comptroller, of all or any part of its deposits, the Comptroller is authorized, in his discretion, to permit the association to resume business if depositors and unsecured creditors of the association representing at least 75 per centum of its total deposit and unsecured credit liabilities consent in writing to such retention of deposits. Nothing in this section shall be construed to affect in any manner any powers of the Comptroller under the provisions of law in force on the date of enactment of this Act with respect to the reorganization of national banking associations.

SEC. 30. Whenever, in the opinion of the Comptroller of the Currency, any director or officer of a national bank, or of a bank or trust company doing business in the District of Columbia, or whenever, in the opinion of a Federal reserve agent, any director or officer of a State member bank in his district shall have continued to violate any law relating to such bank or trust company or shall have continued unsafe or unsound practices in conducting the business of such bank or trust company, after having been warned by the Comptroller of the Currency or the Federal reserve agent, as the case may be, to discontinue such violations of law or such unsafe or unsound practices, the Comptroller of the Currency or the Federal reserve agent, as the case may be, may certify the facts to the Federal Reserve Board. In any such case the Federal Reserve Board may cause notice to be served upon such director or officer to appear before such Board to show cause why he should not be removed from office. A copy of such order shall be sent to each director of the bank affected, by registered mail. If after granting the accused director or officer a reasonable opportunity to be heard, the Federal Reserve Board finds that he has continued to violate any law relating to such bank or trust company or has continued unsafe or unsound practices in conducting the business of such bank or trust company after having been warned by the Comptroller of the Currency or the Federal reserve agent to discontinue such violation of law or such unsafe or unsound practices, the Federal Reserve Board, in its discretion, may order that such director or officer be removed from office. A copy of such order shall be served upon such director or officer. A copy of such order shall also be served upon the bank of which he is a director or officer, whereupon such director or officer shall cease to be a director or officer of such bank: *Provided*, That

such order and the findings of fact upon which it is based shall not be made public or disclosed to anyone except the director or officer involved and the directors of the bank involved, otherwise than in connection with proceedings for a violation of this section. Any such director or officer removed from office as herein provided who thereafter participates in any manner in the management of such bank shall be fined not more than \$5,000, or imprisoned for not more than five years, or both, in the discretion of the court.

SEC. 31. After one year from the date of enactment of this Act, notwithstanding any other provision of law, the board of directors, board of trustees, or other similar governing body of every national banking association and of every State bank or trust company which is a member of the Federal Reserve System shall consist of not less than five nor more than twenty-five members; and every director, trustee, or other member of such governing body shall be the bona fide owner in his own right of shares of stock of such banking association, State bank or trust company having a par value in the aggregate of not less than \$2,500, unless the capital of the bank shall not exceed \$50,000, in which case he must own in his own right shares having a par value in the aggregate of not less than \$1,500, or unless the capital of the bank shall not exceed \$25,000, in which case he must own in his own right shares having a par value in the aggregate of not less than \$1,000. If any national banking association violates the provisions of this section and continues such violation after thirty days' notice from the Comptroller of the Currency, the said Comptroller may appoint a receiver or conservator therefor, in accordance with the provisions of existing law. If any State bank or trust company which is a member of the Federal Reserve System violates the provisions of this section and continues such violation after thirty days' notice from the Federal Reserve Board, it shall be subject to the forfeiture of its membership in the Federal Reserve System in accordance with the provisions of section 9 of the Federal Reserve Act, as amended.

SEC. 32. From and after January 1, 1934, no officer or director of any member bank shall be an officer, director, or manager of any corporation, partnership, or unincorporated association engaged primarily in the business of purchasing, selling, or negotiating securities, and no member bank shall perform the functions of a correspondent bank on behalf of any such individual, partnership, corporation, or unincorporated association and no such individual, partnership, corporation, or unincorporated association shall perform the functions of a correspondent for any member bank or hold on deposit any funds on behalf of any member bank, unless in any such case there is a permit therefor issued by the Federal Reserve Board; and the Board is authorized to issue such permit if in its judgment it is not incompatible with the public interest, and to revoke any such permit whenever it finds after reasonable notice and opportunity to be heard, that the public interest requires such revocation.

SEC. 33. The Act entitled "An Act to supplement existing laws against unlawful restraints and monopolies, and for other purposes", approved October 15, 1914, as amended (U.S.C., title 15, sec. 19), is

hereby amended by adding after section 8 thereof the following new section:

“SEC. 8A. That from and after the 1st day of January 1934, no director, officer, or employee of any bank, banking association, or trust company, organized or operating under the laws of the United States shall be at the same time a director, officer, or employee of a corporation (other than a mutual savings bank) or a member of a partnership organized for any purpose whatsoever which shall make loans secured by stock or bond collateral to any individual, association, partnership, or corporation other than its own subsidiaries.”

Sec. 34. The right to alter, amend, or repeal this Act is hereby expressly reserved. If any provision of this Act, or the application thereof to any person or circumstances, is held invalid, the remainder of the Act, and the application of such provision to other persons or circumstances, shall not be affected thereby.
